36	Tube plug	4	P61318	4	P61318	4	P61318	4	P61318	4	P61318

*: Theoretical dimension / volume values: the manufacturer reserves the right to make any change he could consider necessary for models presented. These values are indicative and they made change according to the various manufacturing tolerances.

** : Indicative mounting time for 2 persons. This time considers neither the ground preparation nor the filling of the pool.

*** : Factory-mounted on the rigid body, upper section.

****: Factory mounted to the liner

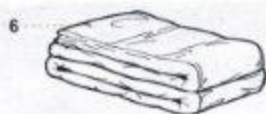

KS* Refer to skimmer kit - Chapter connecting kit (p.13)

NOTE: Parts 15, 16, 17, 18, 19 and 20 are factory-mounted in the tubes, tube noses and uprights. The code is given for single spare parts.
